## School Song . . . . .

Here's to dear old Rocky Mount High  
Ere will we her proclaim,  
While we live until we die  
Let all who love her shout her name.  
Here's to friendships tried and true  
Made in our high school days  
Ever to her be the honor  
And ever to her be the praise.

To the boys—to the girls  
To the school and its glorious history.  
To the youth, to the men  
Who have gone into life from her happy halls  
To the past—to the now  
To the glorious days that are to be  
To the deeds we have done  
To the halls of heroes we have sung.

Then—Here's to dear old Rocky Mount High  
Ere will we her proclaim,  
While we live until we die  
Let all who love her shout her name.  
Through life we will remember her  
Ne'er will we soil her name  
And we'll fight her battles for her  
And ever spread abroad her fame.

## Forward

Music is the ever present undercurrent of our daily lives. The radio that awakens us in the morning, the humming of the bus driver, the whistling grocery boy all form a symphony of sound that serves as an accompaniment to life. Being aware of this fact, we, the staff of the 1951 Hi-Noc-Ar, have endeavored to show the important place music plays in our school hours. For with the echoes from the band room, the lively tones of the choir and voices of the students - 810 strong - lifted in assembly, R.M.H.S. truly has 'Music In The Air'.

Just any morning  
from 10:00 - 10:45!

The Editor, the advisor and  
the "prettiest" photographer.

## "The Last Mile Home"

This group entered old R.M.H.S. in the Fall of 1950 looking a little more mature than the past year and exercising every possible privilege, for at last they were Seniors. They had attained their highest goal. The Fall officers did a fine job in selling Christmas cards and turned the job over to the Spring officers with the "pot" full. The main job of the Spring officers is to plan the graduation ceremonies, and at the printing of this annual were going about the job with a new found zest. As for the others, they were looking into the future which might bring college, good jobs, or — the armed forces.

## "Just One More Chance"

The Fall staff of Junior officers undertook one of the main projects of the Junior class, that of raising money by selling magazines. These officers worked very hard on this and with the cooperation of the whole class sold more magazines than any other class in the history of the school. Having done a wonderful job, the Fall Officers turned the reigns over to the new Spring officers. They then began planning the Junior-Senior, the main social event of the school year. Much effort was put into this, and the results were that it turned out to be one of the best in many a year and the 1951 Junior-Senior will remain in a lot of peoples minds for a long time. All in all, it was a pretty wonderful year.

## "The Roving Kind"

At the first of the year the Sophomore Class elected their officers and went to work on their project for first semester keeping the concession stand for all basketball games. This is the big money making project of the Sophomore Class. The money made from this was used to pay all their bills, finance their annual spring hop, and to send different things to cheer George Newby, a member of their class stricken with Polio at the first of the year.

The Sophomores sponsored a "War Child" from Poland. Each class member gave one dollar for this.

One accomplishment is that they have gone further in parliamentary procedure than any other class. They have a parliamentarian elected as a regular class officer.

Their annual spring dance, a combination square and round dance, highlighted the second semester.

# Student Organization Representatives

The purpose of the Student Organization is to represent and be the voice of the student body. Through standing committees and special projects, it plans and carries out activities for school improvement. While carrying out these activities, it provides an opportunity for student leadership and fellowship and it promotes democratic citizenship. The Student Organization is divided into three divisions with each division having its own complete organization.

**Division One** is the General Organization with its four officers, its ten major or standing committees, and its assembly of representatives from the homerooms.

**Division Two** is the Class Organization. For each of the four groups - freshman, sophomore, junior, and senior - there is an organization consisting of four officers, an advisor, and the necessary committees - all from the homerooms comprising the group.

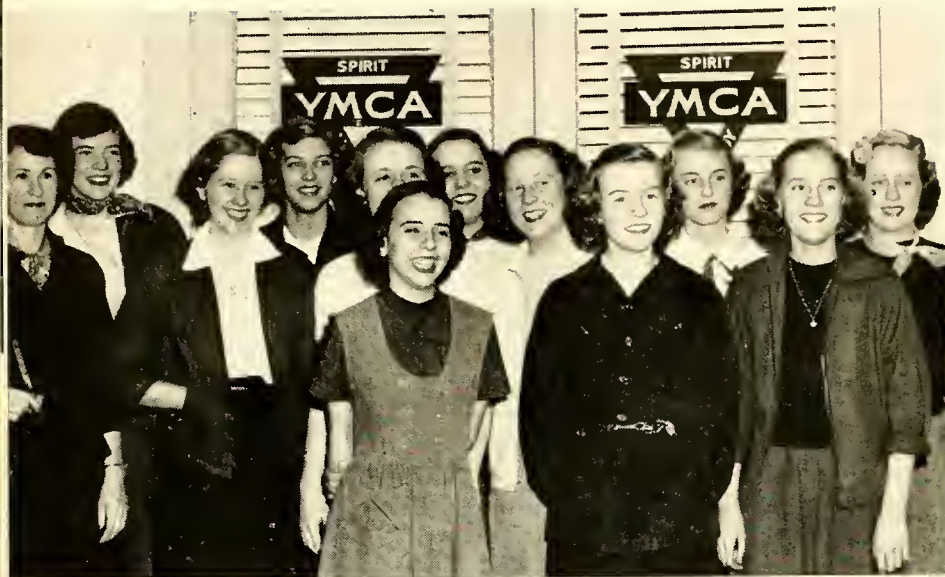

**Division Three** is the Homeroom Organization with its four officers, the homeroom teacher, and the desired committees.

## "Where In The World But In America"

*Where in the world but in America,  
here, oh where, but in America,  
here in the world, but in America-  
-can you sing true freedom's song?  
Here in the world of wondering and blundering,  
Fear and want turning willing men to killing men,  
Let's all share with the other folk, our brother folk;  
That's the old American way.  
Where in the world but in America,  
Where, oh where, but in America-  
Where in the world but in America-  
-can you sing true freedom's song?*

# The

# 1951

The Hi-Noc-Ar is the annual publication of the senior class of Rocky Mount High School. Having its origin in 1920, The Hi-Noc-Ar has been published every year since then, except for a brief period in the early thirties. Over the past years the Hi-Noc-Ar has contributed much to our enjoyment of school life.

The staff is composed of the Editor-in-Chief, Business Manager, Advertising Manager, Circulation Manager and ten or twelve regular staff members. All of the staff are seniors with the exception of six juniors who are elected and trained by the staff to take the reins for the coming year.

As for the 1951 staff, there are eighteen members plus two advisors, Miss Alma Murchison and Mr. C. E. Privott. Without the constant help and interest of these two, the publication of this annual would be impossible.

The staff of 1951 from the opening of school in September to the waning months of spring has

worked to give to you, the students, a book which we hope you'll be proud to own. The pictures on these pages can give a brief outline of the work. Kay Finch and Charles Lundy deciding on a cover they like — Benny Wrenn receiving subscription money from Fay Reynolds, Bobby Grimes and Worth Hobbs — ever faithful Katherine Dove and Pete Winstead typing and checking on copy — then looking over the art work are Peggy Dietzel, Ann Page, and Nancy Bartholomew — Dick Gregory and Barbara Fulghum cornering a prospective customer — and of course there is Albert Rabil and Bill Philips with Albert's very important machine, the camera. Yes, all of these jobs plus that of obtaining ads go into the publication of an annual, but we can honestly say it has been fun until the end.

It is our sincere wish that all readers enjoy The 1951 Hi-Noc-Ar as much as we of the staff have enjoyed preparing it for you.

Dear Wilson,

Hardly know what to say. I was  
a smart boy. If I was exempt in school,  
my subjects I wouldn't know what  
to do with myself.

We really have had fun this year  
haven't we. It's been lots of work though. It's  
going to be even more work next year though.

I don't think I've ever had so much  
fun in band before. It seems that the trips have  
been lots more fun than usual.

I would write more but time,  
pace, and thoughts are  
running out. Hope to  
see you around this  
summer.

Love ya,  
Nancy

Allen Brown was elected President of the Eastern District of North Carolina Distributive Education Club. An outstanding member of the R. M. H. S. ## Ann Bulluck

1950 Campus Sweetheart

After days of campaigning and suspense, Ann Bulluck was crowned "Campus Sweetheart of 1950" at the Charlotte-Tech-Rocky Mount football game. The R. M. H. S. Band, which presents the Annual event, formed a giant heart on the gridiron and played "Sweetheart" as the candidates were driven in style into the heart. As the winner was announced, Ann was presented the traditional bouquet of yellow chrysanthemums. Bruce Carr and Fay Reynolds were runner-ups in the campaign.

## Joyce Proctor

Miss Print '50-'51

Joyce Proctor, Miss Print for '50-51', was chosen for her outstanding personality and popularity. Most of the candidates were upper classmen, but Joyce pulled through since her fellow under classmen backed her wholeheartedly. The contest is sponsored annually by the Blackbird Staff to raise money to aid in financing the 'Blackbird'. The contest is rapidly growing in popularity and we can rightly say that Joyce Proctor is one of the best. Congratulations!

## Gene Williams

President of N. C. S. C. C.

Gene Williams was elected President of the North Carolina Student Council Congress during its annual October meeting in Charlotte. He will attend the national meeting in Massachusetts this summer, direct the work of the Congress during the year, and be responsible for planning next years Congress. The purpose of this Congress is to exchange ideas, create enthusiasm in the participants, and publicize the student participation idea. Gene is the third student from this high school to be elected to this high office.

## Blanche Wilkins

Governor of Girls' State

Proudly, we present the prettiest and finest governor of North Carolina - or should we say Girls' State. Blanche was elected from girls representing nearly every city or town in the Tar Heel State. After only a day at Womens' College, she was known all over the dormitory because of her winning smile and good nature. It didn't take too much campaigning for Blanche, because her dependability and ability spoke for itself and everyone knew that a finer girl couldn't be found for that important office. She proved herself an efficient and able governor.

## George Newby

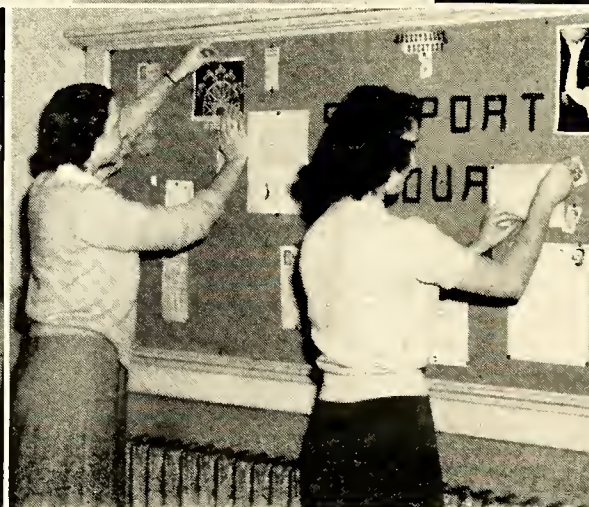

One of the most stirring and tragic events of this past year was the hospitalization of George Newby, fullback of our Varsity squad. George was taken to Duke hospital the night before his first varsity game in September and after having his case diagnosed as polio was placed in an iron lung.

George was elected president of his Freshman class and was the first scout in the Eastern Carolina Council to receive the God and Country award for service to his church. He represented his troop at the National Scout Jamboree at Valley Forge.

George is now busy winning the battle against polio. All his friends wish him well!

**America** is the only nation in which the average man can own and operate an automobile. Not only that, but the annual operating cost of an automobile to an average American family — making adequate allowance for depreciation, repairs, insurance and so forth — probably exceeds the average total income, per family, of any other nation in the world.

*Congratulations—*

*to the class of '51*

This milestone will always commemorate for you your delightful days at Rocky Mount High School. A new life lies ahead, but you will never forget the old.

Each of us is interested in a secure, happy future. Happiness, mostly we find within ourselves.

Security we can best insure by a vigorous defense and improvement of all those ideals and things which are best in these, our United States of America.

*Wilson, Give really enjoyed being in your classes this year. Hope to see lots of such a fine boy in the coming years. See ya. Bobbit Class 2d 4*

Godspeed!

## *To the Class of '51*

Here's to all the folks of R. M. H. S.  
Whose pictures you see on these pages  
From the first double spread to the  
Last shot in the book,  
We haven't had so much fun in ages.  
It was "sweet revenge" to order the  
Teachers around  
(You understand we're just joking, of course)  
And though the studio was jammed  
With kids at times  
We never had to yell ourselves hoarse.  
The husky football fellows didn't scare  
Us a bit,  
They cooperated as nice as you please;  
From the lowliest freshman to the  
Most dignified senior,  
Every one posed with perfect ease!

*So thanks again to all of you;  
to John and his staff who helped us a lot  
and congratulations to the class of '51.  
Sincerely, "Bugs" and "Dot"*
